Sample Financial Compliance Policy (Synthetic Demo)

1. Transaction Approval Thresholds

Transactions above 100,000 USD require approval from a designated senior finance officer before execution.

2. Documentation

Transactions above 50,000 USD must include an invoice or equivalent supporting document and a documented business purpose.

3. Risk Review

Transactions above 200,000 USD require a documented risk assessment before approval.

4. Monitoring

High-risk transactions must be reviewed by the compliance team and retained in the audit record.
